

NETWORK AND ALLIANCE OF TRANSPLANT COORDINATORS

Dear Transplant Coordinator,

Greetings from your Network and Alliance of Transplant Coordinators (NATCO).

It is our great pleasure to announce the **16th Annual International Conference of NATCO on October 7 & 8, 2022** at **ITC Royal Bengal**, Kolkata. The conference is being organized along with the 33rd Annual Conference of The Indian Society of Organ Transplantation (ISOT)

The theme of the conference is **“Moving Towards Uniformity.”** We in NATCO believe that a Transplant Coordinator is at the centre of the organ donation and transplant program and can be instrumental in taking the program to greater heights. The alliance and the upcoming conference are dedicated to enhancing your individual strengths and to empower each one of you to reach your highest potential.

It will be a wonderful opportunity for interactions -to meet old friends and make new ones. The Executive Committee has worked hard to put together an agenda with stimulating talks and stellar speakers. Agenda will soon be shared with you.
